## PUMP TECHNOLOGY TRAINING PROGRAM

### February 2013

We are pleased to advise the we are programming another Level 1 training course to be held in Melbourne as follows:-

Day 1- Session 1- Pump types & construction  
Tues 19 Feb, commencing at 1.00 pm and finishing 5.00 pm.  
Day 2- Session 2&3 - Pump Terminology & Pump Selection  
Thurs 21 Feb, commencing at 1.00 pm and finishing 5.00 pm.  
Day 3- Session 4&5 - Pump operation & fluid parameters  
Tues 26 Feb, commencing at 1.00 pm and finishing 5.00 pm.  
Day 4- Session 6 –Testing, Pump Installation, Troubleshooting.  
Thurs 28 Feb, commencing at 1.00 pm and finishing 5.00 pm.

Assignments will be given out for each session, which will be the basis for assessment at the end of the course, when completion certificates will be presented to successful candidates. The course fee will be \$ 495.00 + GST per head and includes the supply of the latest edition of PIA Technical & Friction handbooks for each participant and our course notes. Participants should bring notepad, pencils and calculator for in-session worked examples.

The course will be held in the MCC Baseball clubrooms at Surrey Drive, Box Hill South, VIC 3128. (Melways 47 B12),

Regards

Keith Sanders
